PARENT RESOURCES

Parent Handbook
Membership Handbook

Project Learn

Monday - Thursday

Project Learn provides students with a supportive environment to complete homework, strengthen reading skills, and build academic confidence.

STEM Labs

Mondays, Wednesdays & Fridays

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

Enrichment

Monday - Thursday
Physical / Creative Club each month. Members get to try new things, build skills, and have fun while exploring their passions.

SMART Moves / Positive Action

Tuesdays & Fridays

This curriculum engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with positive choices and strategies to appropriately express and manage those emotions.

BOYS & GIRLS CLUBS
OF SOUTHERN UTAH

October Club & Activity Details

🍂 Welcome to October!

Happy October, families! We are excited for another fun month at Boys & Girls Club! We are also excited to welcome our new Site Director, **Talia Beasley**, who is looking forward to getting to know our students and families.

This month, students will get to participate in new clubs, including Around the World Club, Flag Football, and Halloween Club! From exploring different cultures and filling up their passports, to practicing football skills and teamwork, to getting creative with spooky Halloween crafts and activities, we have lots of fun planned for October! 🎃🌎🏈

🌎 Around the World Club

Grab your passport and get ready to travel the world! Each week, students will "visit" a new country, learn about its **culture, traditions, food, art, and more**, and add a new adventure to their passport. No plane ticket required! ✈️🌎

🏈 Flag Football Club

Get ready to run, throw, and score! Students will learn flag football basics, practice passing and catching, build teamwork, and play fun games and challenges. It's a great way to stay active, learn new skills, and have fun with friends!

💻 Net Positive

Students will learn how to be safe, smart, and kind online! Through fun activities and discussions, they'll explore internet safety, protecting personal information, making responsible choices, and how to be a positive digital citizen. 🔒🌐

🎃 Halloween Club

Get ready for some spooky fun! Students will enjoy Halloween-themed games, creative activities, challenges, and festive projects while celebrating the season with their friends. 👻🕷️🎃

🎃 Halloween Event! 👻

Join us on October 30th at 3:00 PM for a fun-filled Halloween celebration! We would love to have our families join us for the festivities. Club will still run as usual that day, and at 3:00 PM, the Halloween fun begins! More details to come—we hope to see you there! 🕷️🍬🎃
