BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is being a responsible leader in programs.

Get To Know

My name is Marcela Olsen and I am the Site Coordinator at Cherry Hill Elementary. Last May, I graduated with my bachelor's degree: Fine

Arts with an emphasis in Photography. Minors in Digital Media and Spanish. I like the fact that I can share what I've learned with the kids in the club. I have four lovely children. My husband and I love to go on a ride any time of the year. He is amazingly patient and stops as many times as I need/want so I can take pictures. I love dark chocolate, tiramisu, the rain, new green leaves, dark cloudy skies, knitting, crocheting, remodel and paint furniture (country style). I'm Happy to be part of this.

Upcoming Events

Please join us on Friday, October 25th to celebrate the joy of afterschool programs!

Please join us on Thursday, October 31st for our Halloween celebration. We will be running various halloween rotations and activities. You won't want to miss this!

Happy Birthday!

Project Learn

Monday 3:45-4:30
Tuesday-Thursday 4:00-4:45

The main focus of power hour will be to help members complete homework assignments, work on HYLEA activities and also participate in our reading program.

STEM Labs

Tuesday & Thursday 4:00-4:45

During our power hour on Tuesdays and Thursdays, members have the opportunity to participate in STEM labs after they have completed their daily homework.

Enrichment

Monday-Thursday 4:30-5:30

Enrichment clubs are to further enrich and broaden our members' experiences by offering a variety of clubs that members have a choice between. These clubs are changed on a monthly basis.

Prevention & Education

Monday's 2:30-3:15

This months prevention focus will be on respect and anti-bullying. At the end of the month, we will begin our BGCA SMART kids program.
