Get To Know

Hi! I'm Bri! I might look familiar because this is my second year at the club. I'm the Site Coordinator

at the Clubhouse and I absolutely love it. I'm currently a student at BYU studying Public

Health and

International Development. I've been working with the Boys & Girls Club since I was 18 and can't think of a more fulfilling job. We have some AMAZING staff this year that are very excited to get to know your kids. Feel free to reach out if you have any questions. I'm looking forward to a great year :)
