BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is being a responsible leader in programs.

Get To Know

My name is Monica Morris and I am the Site Coordinator for The Boys and Girls Club at Geneva Elementary. I am a senior at Utah Valley University studying Family Science. My favorite hobbies include quilting, reading, and browsing Pinterest. Although I love to travel with my husband, Ethan, my hometown of Provo, Utah is what I consider to be the best city in the world. I am excited to shape the lives of our students at Geneva this year and see the difference we will make in their lives.
