**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

*Our SEL focus this month is being a responsible leader in programs.*

## Get To Know

My name is Amanda Tonks and it's my first year here at the Boys and Girls Club working as the site coordinator for Sharon Elementary. I am currently a Senior at Utah Valley

University and I'm majoring in Behavioral Science with an emphasis in Psychology. I love working with children and I've been doing it for the last 5 years. I've had such a great time working with the kids here and my favorite part of this job is watching them learn and grow from the activities our staff plan. For fun I enjoy watercoloring, singing, spending time with my family, cooking, and enjoying the fall weather!

## Upcoming Events

Please join us on Friday, October 25th to celebrate the joy of afterschool programs!

Please join us on Thursday, October 31st for our Halloween celebration. We will be running various halloween rotations and activities. You won't want to miss this!
