## Get To Know

Katie Howard is a fantastic member of our team! She is a freshman at BYU studying Family Life with a Human Development Emphasis. She plans to become a Child Life Specialist.

When Katie isn't at school or work she loves all things music! She plays the piano, flute, and sings in group choirs.

She has played competitive soccer and also starred in theatrical productions!

The students enjoy spending time with Katie who will listen when they need someone to talk to or play when they need an extra friend.
