GENEVA GAZETTE

665 400 N, Orem, UT 84057 | (801) 610-8108

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is getting to know program members.

Get To Know

My name is Maren Jacobs and I am a Youth Development Professional with the Boys and Girls Club at Geneva

Elementary. This is my first year here, but I've done a similar job elsewhere. Currently, I'm studying to become a FACS teacher. Some things I love to do include singing, hiking, and learning about other cultures. I'm passionate about helping people be their best selves and am excited to be here at Geneva!

Upcoming Events

Please join us on January 7th during our power hour time, to participate in the NASA program brought to us by the Orem Library! Kids won't want to miss this!
