BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is getting to know program members.

Get To Know

Hello, I'm Lexi a sophomore at UVU studying psychology. I grew up here in Utah, after graduating high school though, I moved to southern California and then lived all over Spain. I love setting goals and accomplishing them. I just got married in December and am excited for exploring the world with my husband who is a senior at BYU studying psychology. I love working here at the Boys and Girls Club because I can relate to all the kids and be able to help them enjoy accomplishing their individual goals. I'm looking forward to learning more about how I can help them grow.
