BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is creating norms, building a caring community taking responsibility and making things right.

Get To Know

Hello! My name is Kirsten Hansen and I am a Spanish-Speaking Youth Development Professional here at Cherry Hill Elementary. I was introduced to

Spanish when I was living for a year and a half in Santiago Chile. I love many diverse cultures and languages soon followed that love. My next big dream will be to travel to Australia! Some other things I enjoy are family, cooking, running, singing in the car, spoiling my nephews and niece. I am so excited to be working with the youth here at Cherry Hill!

Upcoming Events

Kids will have the opportunity to perform their talents on February 28th from 4:30-5:30. We invite parents and family members to attend the event!
