OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

*Our SEL focus this month is gratitude, developing empathy, feelings & challenges, and understanding alike & different.*

## Get To Know

My name is Samuel Tonks! I'm currently a student at Utah Valley University. I am Majoring in Personal Financial Planning. I previously worked at the Boys and Girls Club in North Salt Lake and I have worked with kids my whole life! I love playing soccer, volleyball, and most sports out there! I'm so excited to work with the amazing kids at the Boys and Girls Club here at Cherry Hill Elementary and help everyone grow into who they want to be!
