The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Get To Know our Staff

Jorden Barrow is one of our AmeriCorps team members. This means Jorden's main focus is on educating students about STEM related fields that they can explore for future career options.

Jorden, I likes to ski, go on hikes with his dog, study science, play guitar, and do yoga. He is starting med school in July and hates paperwork more than he loves to ski-- and skiing is life!
