BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is creating norms, building a caring community taking responsibility and making things right.

Get To Know

My name is Francesca and I'm from Chicago, Illinois. I have been in the army for 5 years and I have been a yoga teacher for 1. If I could do anything for the rest of my life I would travel and teach yoga. I have been fortunate enough to travel to beautiful places all over the world and try amazing new food. Culture and language are my favorite topics, it's always so fun and interesting to see what's out there. I'm excited to start working with the Boys and Girls club to do some yoga and teach some Arabic! Also Happy Black History Month!

Upcoming Events

Kids will have the opportunity to perform their talents on February 28th from 4:30-5:30. We invite parents and family members to attend the event!
