BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is creating norms, building a caring community taking responsibility and making things right.

Get To Know

I'm Josey Gardner, and I am the second oldest of four girls. My family lives in St George, Utah and I visit them all the time. I go to school at BYU for English and pre-med. I love to travel, read, write, and rock climb. The mountains are my favorite place to be and I love science, hence why I applied to be the STEM counselor. I especially love experiments involving fire. Sadly I'm not allowed to do those things. But all science is cool so it all works out in the end.

Happy Birthday!
