BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Getting to Know One Another, Creating Norms, and Taking Care of Classroom and Selves

Get To Know

Maren enjoyed her time at the Boys & Girls Club afterschool program here at Geneva Elementary last

year and is excited to be back as the site coordinator this year. She is passionate about helping others and ensuring everyone feels welcome. She is currently studying at Brigham Young University to become a FACS teacher. In her free time, she enjoys singing, hiking, learning about other cultures, and spending time with others.

COVID Procedures

To ensure the safety of our members, their families, and our staff, we have put in place procedures to minimize the spread of Covid-19 in our program. Members and staff will be required to wear masks. When members arrive, their temperature will be taken and they will be monitored for Covid symptoms. Frequent hand washing and sanitizing will occur. Social distancing will be implemented.

Happy Birthday!
