Kolton Michalek - Program Site Coordinator

My name is Kolton Michalek and I am the Program Coordinator for Sharon Elementary. I love being able to work with the kids here. They are absolutely amazing and an absolute joy to be around. Along with a love of working with kids I also love theater(both watching it and performing), playing my ukulele and singing, and anything Harry Potter, Disney, or Superhero related! If you have any questions feel free to ask! I am beyond excited to continue to work with these amazing kids this year!
