**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

## Get To Know the Staff

Kolton Michalek - Program Site Coordinator

My name is Kolton Michalek and I am the Program Coordinator for Sharon Elementary. I love being able to work with the kids here. They are absolutely amazing and an absolute joy to be around. Along with a love of working with kids I also love theater(both watching it and performing), playing my ukulele and singing, and anything Harry Potter, Disney, or Superhero related! If you have any questions feel free to ask! I am beyond excited to continue to work with these amazing kids this year!

Happy Birthday!

## Clubs this Month

### K-3rd Grade

#### Art

This month we will be doing different art and crafts ideas to help the kids use their creativity.

#### Sports

We will learn some of the basics for a lot of different sports for the kids to broaden their understanding and likings!

### 4th-6th Grade

#### Can you survive a zombie apocalypse?

A terrifying virus has been spreading around the world. In a matter of weeks, it has killed 90% of the world's population. Even worse, the victims don't stay dead. Now, these zombies are roaming the streets looking for their next meal: your brains! Your challenge is to stay alive until scientists find a cure. Be careful! One bite and you will become one of them. This club investigates how design and technology can help you survive a zombie apocalypse – from making a barricade to keep them out, to communicating with other survivors using Morse code.

#### Flag Football

During the course of the month, this club will help you learn the center/quarterback exchange, the proper "ready" stance, the quarterback/running back exchange, how to carry the football, how to properly throw the football, how to properly catch the football, and basic defensive concepts. In addition the club will focus on character building traits of teamwork, good sportsmanship, the value of practice, how to compete, and valuable social skills.
