

NOVEMBER 2020

# GENEVA GAZETTE

665 400 N, Orem, UT 84057 | (801) 610-8108

**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

*Our SEL focus this month is People Who Work in Our School, Preparing for Buddies, and Meeting Our Buddies.*

## Get To Know

Ann started at the Boys & Girls Club this September. She is our AmeriCorps STEAM specialist and we are so glad to have her

here! She is loving getting to know all of the awesome people at the program. She is a student at UVU and is studying family science. She loves to mountain bike, ride roller coasters, to photography, and play games. Her favorite part about Boys & Girls Clubs is seeing the kids encourage and build each other awesome. Ann is an incredible part of our team!

## A Special Thanks

We want to give a special thank to you, the parents/guardians of our Geneva club members. Without your support we wouldn't be able to have so much positive social interaction between the kids. Without you, we wouldn't be able to have as much fun and productive activities. Without you, we would be able to have this program. Thank you for all you do!

# Happy Birthday!

Flor - Nov. 12  
Sandy - Nov. 11/12  
Mazie - Nov. 11/10

## CLUB CLOSED

MINIMAL DAY  
November 13

THANKSGIVING BREAK  
November 25-27

## Project Learn

Monday - Thursday 3:15 - 4:00 PM

The main focus of power hour will be to help members complete homework assignments, work on HYLEA activities and also participate in our reading program.

## STEM Labs

Monday 4:00 - 4:45 PM

During Mondays enrichment clubs, members will have the opportunity to participate in STEM activities that are engaging and enjoyable for all.

## Enrichment Clubs

Monday - Thursday 4:00 - 4:45 PM

Enrichment clubs are to further enrich and broaden our members' experiences by offering a variety of clubs. These clubs are usually changed on a monthly basis. Because we had so much time off in October, the club topics will remain the same for November.

## Prevention & Education

Monday 1:35 - 2:45 PM

We will be teaching lessons from a research-based program called SMART kids. This program helps kids recognize how to make smart, healthy decisions.
