The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Feelings

Get To Know Ms. Mannon!!

I'm from Provo, UT and have been working at BGC for a little over a year. I love it! The kids are hilarious and have helped me learn to try to be kinder and more patient. I'm working on graduating from BYU this coming April in Public Health and

working to pursue a career in social work. I grew up as the fourth of five children and will be an aunt to three coming April and May. Some things I love are traveling, dancing, going on walks, playing the guitar, and drinking chocolate milk.
