

OCTOBER 2020

# ProvoClubhouse

1060 N 150 W, Provo, UT | (801) 371-6242

**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

*Our SEL focus this month is Getting to Know One Another*

## Get To Know

Hello! My name is Haley Shields. I am one of the site coordinators here at our clubhouse location. I am so excited to work with you this year. A little bit about me... I have been married for 3 years. My husband and I have two Aussie Mixes. They are actually brothers! The one pictured with me above is named Oliver and our other is named Leo. Some hobbies that I have include crocheting, knitting, reading, rock climbing, and hiking. I love the outdoors but I also like spending time inside. I am so excited to get to know you guys more as we go throughout our year!

## Upcoming Events

Lights on Event - October 22nd

[www.instagram.com/bgcutah](http://www.instagram.com/bgcutah)

Happy Birthday!

Kim - Oct. 9th

**CLUB CLOSED**

Oct. 15th-16th: Fall Break

## Project Learn

Students have the opportunity to participate in Power Hour at 3:15 pm each day. This is a time that we set aside to allow students to work on their homework and reading assignments.

## STEM Labs

STEM rotations occur twice in a day. Because we are open all day (8 am - 6 pm) one rotation takes place in the morning and the other in the afternoon. The morning rotation happens at 9:45 am and the afternoon rotation occurs at 2:00 pm.

## Enrichment

Students have the opportunity to participate in STEM and creative activities throughout the day. They also get to participate in clubs at the end of the day (4:00 PM). This is a time for students to try new things and explore the world around them.

## Prevention & Education

Each Friday the students have the opportunity to participate in our SMART Lessons. We also have CSC Lessons that the kids do each day and they go over topics like gratitude and feelings.
