

NOVEMBER 2020

# ProvoClubhouse

1060 E. 150 N., Provo, UT | 801-371-6242

**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

*Our SEL focus this month is Developing Empathy*

## Get To Know

Hi there! My name is Natalie, and I am a Youth Development Professional here at the Provo Clubhouse. I've been working with Boys and Girls Club since March and I have loved it. My favorite part is seeing the kids learn, have fun, and make friends. I am from Idaho and am currently studying human development at BYU. When I graduate I want to become an occupational therapist! I love to sing and play my guitar, do all sorts of crafty things, learn about the human body, and run! I feel so lucky to be able to work with these kids and am excited for each new day I work.

## Upcoming Events

Thanksgiving Holiday - November 26-27

## Project Learn

Students have the opportunity to participate in Power Hour at 3:15 pm each day. This is a time that we set aside to allow students to work on their homework and reading assignments.

## STEM Labs

Tues & Thurs, 2:00

The children have been learning the history, parts and patterns related to Computer Science from our STEM Americorps member, Lily Stice.

## Enrichment

Students have the opportunity to participate in STEM and creative activities throughout the day. They also get to participate in clubs at the end of the day (4:00 PM). This is a time for students to try new things and explore the world around them.

## Prevention & Education

Each Friday the students have the opportunity to participate in our SMART Lessons. We also have CSC Lessons that the kids do each day and they go over topics like gratitude and feelings.
