BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is People Who Working Our School & Afterschool, Meeting Our Buddies, and Unkind Speech

Get To Know

My name is Francesca and I'm really happy to be part of the Boys and Girls Club at Geneva Elementary! As a Youth

Development Professional I have the amazing opportunity to create and participate in fun activities for the students. I love to incorporate physical activities and to introduce the students to new language, culture and food. I am from Chicago, Illinois and moving to Utah has made me more appreciative of the outdoors so I really enjoy activities relating to nature. Additionally I am a Yoga Alliance certified yoga instructor and a certified Spanish linguist for the US Army. Thank you and Happy Holidays!

Happy Holidays

We at the Geneva Elementary Boys & Girls Club afterschool program wish you and your families happy holidays! We hope you are well, safe, and healthy.

November has been interesting with current government mandates, but we are excited to return with the kids for December! After winter break, we will return to having Clubs on January 4th.

Happy Birthday!

Bruce - Dec. 2
Kingston - Dec. 3
Sammi - Dec. 12
Kauan - Dec. 21

CLUB CLOSED

MINIMAL DAY
December 18

WINTER BREAK
December 21 - January 1

Project Learn

Monday - Thursday 3:15 - 4:00 PM

The main focus of power hour will be to help members complete homework assignments, work on HYLEA activities and also participate in our reading program.

STEM Labs

Monday 1:35 - 2:45 PM

During Mondays enrichment clubs, members will have the opportunity to participate in STEM activities that are engaging and enjoyable for all.

Enrichment Clubs

Monday - Thursday 4:00 - 4:45 PM

Enrichment clubs are to further enrich and broaden our members' experiences by offering a variety of clubs. These clubs are usually changed on a monthly basis. Because we had to close for two weeks in November, the club topics will remain the same for December.

Prevention & Education

Monday 4:00 - 4:45

We will be teaching lessons from a research-based program called SMART kids. This program helps kids recognize how to make smart, healthy decisions throughout their lives.
