Give Us Your Feedback

We are working to improve the quality of our after school program and we would like your input. We believe strongly that our after school program should be a safe, welcoming space for all and that includes our virtual program. COVID-19 has led to fewer opportunities for social connection, but we would like our after school program to be a place to renew those connections and spend time with each other despite the physical distance.

Whether you are a parent/guardian or a student, please [follow this link](#) and fill out the quick survey. This will help us know where the gaps are and how we can tailor our program to your needs.

Going Virtual

All afterschool clubs and activities will be virtual for the rest of the semester; but virtual doesn't have to mean lame! The Walden Clubs staff are working hard to revamp our after school program and plan some special activities. Keep an eye out for more information coming soon. In the meantime, we'd love to see you after school! Whether it's academic help, service opportunities, good conversations, or games and stories, after school has it all, five days a week! Here's how you can join in on the action:

- Check out the calendar (linked above) for up-to-date information and links to each club's Zoom room.
- Let Austin know if you'd like to start a new club! All clubs at Walden are student-fueled.
- Parents/guardians: If you haven't registered your student yet, please fill out [this form](#).

See you after school!
