Alexis (Lexi) Nebeker  
Program Manager

Hello, I'm Lexi,

I've worked for the boys and girls club for over a year and a half, and it has been an incredible experience. I love being fully involved with the personal growth of each club member here at the Provo Clubhouse. I study behavioral science at UVU and love bringing what I learn there to the club members. I love to learn how to do new things and share that with the club members. Crafts in particular are really fun. I also love clearance shopping, hiking, and being with my dogs.
