## Get To Know Lacie Spangler

My name is Lacie and I was born and raised here in Utah! I am graduating at Utah Valley University this spring with my major in business management. I grew up playing lots of different sports but my main hobby was dance. I currently teach dance classes to girls 10 years and under. I also love to travel and I lived in Taiwan for a year and a half and learned how to speak Chinese. My favorite place that I have been to so far is Cambodia! I am also so happy that I get to come as a volunteer each week! It has been so fun to get to know all the kids and be a part of the awesome club!
