BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Happiness/Creativity, Feelings & Challenges, and Gratitude

Message from our Staff

We can't believe in just a few short weeks, clubs will be over. We are going to miss the kids terribly during summer break! We're going to especially miss our 6th graders who are moving on to middle school! We have had a blast here at BGC and are so grateful to be moving over with some of the kids to Parkside Elementary next year. Be on the lookout for next year's registration during summer break. We are anticipating more registrations next year due the increased amount of kids attending the new school. Thank you so much for sharing your kids with us. They are amazing kids who are going to accomplish amazing things!

Attendance

If you know your student will not be attending clubs, please let us know so we can better plan for materials and snacks. Attendance emails will continue to be sent out to ensure the safety of your student(s).

Project Learn

Monday-Thursday 3:15-4:00 pm

Learning can be fun! During our power hour we'll focus on age-appropriate, hands-on activities that help students explore concepts they are learning at school and are supported by our reading and math program.

Enrichment

Monday-Friday 4:00-4:45 pm

This month we are all together learning and trying out various Olympic games.

Prevention & Education

Monday-Friday 2:30-2:45 pm

This short time frame can make a huge influence in a child's life. We discuss topics from our CSC and Positive Action program. This helps the students recognize how to make smart, healthy, and happy choices throughout their lives.

Happy Birthday!

May 18th - Kylie
May 22nd - Hunter
May 31st - Gerado
