BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Gratitude

Announcements

We just wanted to take this opportunity to express our gratitude to all of you. We, as a staff, have loved working with your kids. We have learned so much from them and we are grateful we had the chance to get to know them. Even though at times it was challenging and due to the pandemic our program looked different and was

constantly changing, we had an amazing year! We wouldn't trade it for anything in the world. Every child has blessed our lives and we will forever cherish the memories we have made with them. Although it is the end of the year it is not goodbye and we hope to see you again next year.

Queríamos aprovechar esta oportunidad para expresarles nuestro agradecimiento a todos ustedes. A nosotras, como personal, nos ha encantado trabajar con sus hijos. Hemos aprendido mucho de ellos y estamos agradecidas de haber tenido la oportunidad de conocerlos. Aunque había desafíos y nuestro programa se veía diferente y cambiaba constantemente debido a la pandemia, tuvimos un año increíble! No lo cambiaríamos por nada. Cada niño ha bendecido nuestras vidas y siempre apreciaremos los recuerdos que hemos creado con ellos. Aunque es el fin del año escolar, no nos despedimos porque esperamos volver a verlos el año que viene.
