STEM Labs

Monday-Thursday 4:45-5:15 PM

Students will be introduced to our STEM program. (Science, Technology, Engineering and Math)

SEL (Prevention & Behavior)

Monday-Thursday 4:45-5:15 PM

This time will be centered around learning ways to develop our sense of self and how we can better ourselves and improve our relationships with those around us.

Project Learn

Mon-Thurs 4:45-5:15/Fridays 1:30-2:30 PM

Students will have time to work on any material from the school day and will be given the opportunity to get ahead. The Summit Program will be accessible to them as well as Boys & Girls Club staff to help facilitate their completion of any assignments/projects.

Makerspace

Fridays 4:45-5:15 PM

Students will be encouraged to make and create their own passion projects. Teachers will guide and facilitate student's projects.
