BOYS & GIRLS CLUBS

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Managing Me and My Life

Get To Know

My name is April! I have been working at Orem Junior High for a year now and it has been so fun. I got married this past summer and am studying economics at BYU. I love all things dance, music, and fitness. I love getting to know your kids and spending time while having fun.

Upcoming Events

We have a big Flag Football tournament coming up on the 18th of October! Have your kids build their team and get bragging rights before fall break!
