BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is: Strong Body and Minds & Managing Me

Get To Know: Teyler Hone

Those of you who have been with us for a while should definitely know Teyler. With Angie stepping down from our Program Manager position (we'll miss her) Teyler has agreed to take on those responsibilities. She has years of experience working both at Walden and BGC.

Project Learn & STEM Labs

Monday-Friday

We have homework help available every single day. We also will have reading, writing, and math activities.

We will have STEM once a week with fun activities that will help children learn about Science, Technology, Engineering, and Math.

Club Enrichment Topics

- Sportsmanship - Murder in the Dark
- P.E. - Group Choice
- S.T.E.M. - Spooky Science
- Art - Clay
- Literacy - Group Writing

SEL (Prevention and Behavior)

Tuesday, Thursday & Friday

We will use three programs to teach SEL to the kids, which are Positive Action, SMART Moves, and Kid-Grit. We will implement daily lessons and activities from those programs to teach the kids the importance of understanding their emotions.
