BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Managing Myself and My Standards

Get To Know

My name is Leann, I have been working with The Boys and Girls club for almost three years and I love it! I am studying at UVU and will graduate in the spring! I love baking, running, and anything crafty. I love the kids here and they're the reason I love my job!

Upcoming Events

We want to take your kids on a hike this month! Getting in touch with nature is very important. We will be sending you permission slips to sign soon!

We are reaching out to the Provo Bike Collective to learn about bike repairs. We hope to get this started this month!

STEM Labs

Mon-Fri

STEM activities will be the first and second A day of each week. Robotics will be after school on every B day. Power Hour (homework help) is every day.

Enrichment

Mon-Fri

Virtual reality club is every Thursday, and Cooking will be every other Tuesday!

We have sports happening most every day, and we will be continuing to do our cosmetology club.

We have a NEW CLUB! We will be starting a new Drawing class with the chance of winning a competition.

We have a new club being run by one of our students: Latin Dancing!

Prevention & Education

Mon-Fri

We will be educating our kids about financial literacy this month! This is a new course that we are very excited about, so please encourage your kids to come!
