Project Learn/Power Hour

Monday-Thursday

3:30pm-4:30pm

Project Learn or Power Hour is our homework help and literature time program. The first 30 minutes of Power Hour will be homework help and the other 30 minutes will be reading time! As staff, we really encourage and push your children to finish homework before doing anything else. Although it is not possible to sit only with one child for the whole hour, we are here to help if your child has any questions on their homework. Please let us know if you have any questions or concerns.

STEM Labs

Fridays

STEM will be the time where our students will have the opportunity to be involved in Science, Technology, Engineering and Math activities.

Enrichment

Monday-Thursday 4:30pm-5:30pm

Friday 4:00pm-5:30pm

Enrichment clubs are activities where the children will have opportunities to explore new hobbies, subjects and interests. This month's enrichment activities are "Winter Wonderland" and "Giving Club" where kids will do exciting winter themed physical activities and arts and crafts!
