Get To Know

Kirsti Meyers - AmeriCorps STEM Specialist

Hi! I'm Kirsti Meyers. I was born and raised in Cedar City and even went to Gateway. I'm currently attending SUU with a major in child development. I have always loved being around kids and love teaching. My favorite color is purple and my favorite season is spring. I love hiking, swimming and just about anything outdoors (especially if I can do it with my dog and/or family). I love being a part of this team, and can't wait to see what this year has in store!
