BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Managing my stuff and my developing brain.

Get To Know

Abigail Daniel is a 7th Grade science teacher and recently graduated from BYU with a degree in biological science education. She runs the science club after school. When she was in middle school in Missouri, she saw the largest ever cicada broods emerge. She loves collecting insects, spending time outdoors and trying her best to keep her little city garden alive

SEL (Prevention and Behavior)

Positive Action and SMART Moves

We teach Social Emotional skills to our students in order to give them confidence as they grow up. They will learn communication skills and social skills that they can use their entire lives. We strive to help youth be their best in all situations.
