STEM Labs

Mon-Fri

STEM activities will be the first and second A day of each week. Robotics will be after school on every B day. Power Hour (homework help) is every day.

Enrichment

Mon-Fri

Virtual reality club is every Thursday, and Cooking will be every other Tuesday!

We have sports happening most every day, and will be starting a weightlifting club. We will also be continuing to do our cosmetology club.

This month we will be starting a Christmas club where they will be making garlands, ornaments, and doing other fun Christmas activities.

We will also be starting a graphic design club where they will be learning how to create designs and put them on shirts and bags.

We will have cross stitching starting this month on Mondays.

Prevention & Education

Mon-Fri

We will be having Positive Action lessons this month. Mondays and Wednesdays.
