Welcome to the BGC Club!

We are so excited to create an amazing club experience with our Legacy club members. Please make sure to save and add our email address to your contact list so you don't miss out on important information throughout the year. Each week we have club themes where most of our activities stem from that week's focus. We like to focus on collaboration, teamwork with lots of group work and individual projects that club members may be able to present to the group if time allows. If you ever have questions please reach out.

We are starting something new this year. All club members get to pick at the beginning of each month which club they would like to participate in for the whole month. Each club, physical club and creativity club are broken into two teams each. One team tends to be younger players (yellow team) and the other team is older players (blue team).

Physical Club - This month we are doing a Flag Football club. We break up into two separate teams. Our goal in this club is to teach our youth basic throws with a football, strengthen catching skills, feet & body coordination, physical fitness can be fun, and overall flag football skills.

Creativity Club - This month we are doing a No-Bake Cooking club. We break up into two separate teams. Learning different recipes, cooking/kitchen safety and knife skills. This will allow them to learn eye-hand coordination, patience, and how to make things in the kitchen.
