March Club & Activity Details

Message to Parents:

We are so excited to be implementing these programs and clubs to help your kids! If you have any questions or any ideas for what you would like your child to be learning while here at the club please feel free to let us know. Thanks!

SEL:

Positive Action - (All grades, taught by all staff)

- During the month of March we will continue our theme of being true to ourselves to ensure that its principles are well implemented. The lessons and activities will be centered around kids finding truth and value in who they are as individuals and maintaining a sense of passion about themselves and the world around them.

Enrichment Clubs:

STEM Lab - (K-3 on Mondays, 4-6 on Wednesdays taught by Sadie)

STEM this month will be expanding on the lessons taught last month about ocean engineering.

Room Decor Club - (4-6 on Mondays/Wednesdays taught by Alanna)

The Room Decor club will be centered around making pieces of art to put around the clubhouse

Geography Club - (4-6 on Tuesdays/Thursdays taught by Alanna)

The purpose of the Geography club will be to help the kids understand how to identify different aspects of a map

Knitting Club - (4-6 on Tuesdays, Wednesdays, and Thursdays taught by Miss Cowan)

In the knitting club the kids are making hats to donate to less fortunate families!

Spring Club - (K-3 on Tuesday/Thursday taught by Miss Abbie)

The spring club will be centered in teaching the kids about the changes in nature during spring and enjoying the weather!

Japan Club - (K-3 on Monday/Wednesday Taught by Miss Abbie)

The Japan club will be about teaching kids the cultures and traditions of Japan and how they influence us here!

BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is "Your truest self"

Get To Know Tanner!

Our spotlight this month is our new site coordinator Tanner! Tanner is originally from Georgia and moved out to Utah to go to college. He is studying physics and is on his way to becoming a theoretical physicist! He likes to hang out with his friends when he has time and loves to read books about science

Project Learn

M-F (K-3: 3:50-4:20) (4-6: 3:15-3:45)

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

STEM Labs

(K-3: M 4:25-5:20) (4-6: W 4:25-5:20)

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

Enrichment

M-TH 4:25-5:20

Activity specifics are listed in the previous page titled *March Clubs & Activity Details*.

Prevention & Education

M-F (K-3: 3:15-3:45) (4-6: 3:50-4:20)

Our focus this month will be on Being true to ourselves (Positive Action) and Physical Health (KidGrit).
