The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is:

Get To Know

Will Baird

Will has been a member of our afterschool team for around 2 years. During that time, he has transitioned into the unofficial role of theatre director extraordinaire. He has written, directed and put on three original productions at our site - What Happened at Schneebley's, Charlie Brown and the Christmas Concert Solo, and Kip Dynamite: the Musical (upcoming May 2024). Will hopes to someday make it big in the writing scene as well as further his education with a doctorate degree in cognitive neuroscience.
