## April Club & Activity Details

### Message to Parents:

Welcome back! We hope you all have been able to get into a groove and are feeling good about the last half of the school year. We are excited to jump back into afterschool programs. This month we will be continuing some different curriculum aligned with Boys and Girls Clubs across the county designed to help children develop in multiple key areas. We look forward to continuing to build relationships with the youth, teach the youth new skills that can help them in the future, and watch them grow into future leaders!

**STEM** - Children will get hands-on experience with the scientific method and engineering process. This month they will be focusing on Earth Science and the different things that make up the Earth. STEM Labs are taught on Tuesday and Thursday, with an additional activity during Friday rotations.

**SEL** -- The Positive Action curriculum is an evidence based program that is integrated in afterschool activities to build a positive environment throughout the program -- an environment that encourages students to do their best and be their best. Positive Action teaches real-life concepts that help students feel good about themselves. This program is run Tuesday & Thursday with new topics each week. The April theme is improving me and post-surveys!

**Power Hour** - The main focus of power hour will be to help youth complete homework assignments, work on HYLE activities and also participate in our reading program. Our goal is to help youth reduce missing assignments by aligning with school day teachers and completing daily assignments at programs to allow family time at home.

**Spring-y Club** - The purpose of this club is to introduce children to a variety of aspects and skills that come with Spring! Our goal is to help develop a deeper understanding of the season while helping them build a variety of skills. K-2 will participate in this club on Monday and Wednesday, 3-6 will participate in this club Tuesday and Thursday.

**Basketball Club** - Physical activity is important year round and the students have requested to have an outdoor basketball club. Our goal is to give them an opportunity to work on teamwork, good sportsmanship, decision skills, as well as, basic basketball skills such as passing, catching, dribbling, and shooting. 3-6 will participate in this club on Monday and Wednesday, K-2 will participate in this club Tuesday and Thursday.

APRIL 2024

**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

*Our SEL focus this month is Improving Me and Post-Survey!*

## Get To Know!

Hi everyone!  
I'm Tim, the new Site Coordinator here at Bonneville. I'm originally from Philadelphia

but moved to California when I was a baby then moved to Utah in 2010 and finally settled down after moving around again in 2012. I'm planning to resume my classes at SLCC this year to graduate with an AS in Psych. I enjoy gaming with my friends and weightlifting.

## Upcoming Events

April 1-5, 2024: Spring Break

April 8, 2024: Student Appreciation Day

April 17, 2024: Family Engagement Night-Closing at 4pm

# Happy Birthday!

'Aokosi-4/2  
Maria-4/12  
Harper- 4/14  
Eddie-4/15  
Brian- 4/18

## CLUB CLOSED

4/1-4/5 Spring Break!!

4/17-Family Engagement Night-Closing at 4pm!

## Project Learn

3:15-4:20 (Monday-Thursday)

Time to work on homework, practice math, read, or do other academically enriching activities.

## STEM Labs

3:15-4:20 (Monday & Wednesday)

4:05-5:15 (Friday)

Activities involving science, technology, engineering, mathematics, and related topics. Kids will learn a variety of STEM related skills and participate in many hands-on activities.

## Enrichment

4:25-5:25 (Monday-Thursday)

4:05-5:15 (Friday)

Clubs are provided Monday-Thursday that are designed to introduce new activities, new passions, and new ideas to the children.

We offer a rotation of activities on Friday where kids can participate in a new physical and creative activity each week.

## Prevention & Education

3:15-4:20 (Tuesday & Thursday)

3:15-4:00 (Friday)

Social Emotional Learning (SEL): Lessons that focus on teaching kids social and emotional skills to get through life. We provide this through Positive Action curricula and hand made SEL activities for the youth.
