## April Club & Activity Details

### Message to Parents:

The mission of Boys and Girls Clubs of Southern Utah is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive, caring, and responsible citizens and leaders.

Through clubs and activities, we hope to expand and grow children's interests, hobbies, life skills, and character. We support and encourage all students to participate and have fun!

### Culture Club for April: France - Ms. Melissa - K/2 Wednesday & Friday, 3/5 Thursday & Friday

Culture club will be a fun way for students to learn about different cultures around the world through exploring each culture's language, traditional clothing/fashion, food, and cultural & holiday celebrations. April will focus on the culture of France.

- Week #1: Kids will watch a children's story in French and learn new vocabulary in a fun way.
- Week #2: Kids will learn about Bastille Day Celebration while doing a fun craft.
- Week #3: Kids will learn about food culture in France and learn to say different foods in French
- Week #4: Kids will wrap up by watching Ratatouille and making an Eiffel Tower craft.

### Animal Club - Ms. Siena 3/5 Wednesday & Friday, K/2 Thursday and Friday

Each week, students will learn about an animal from a different part of the animal kingdom. Students will get to make a fun craft related to their animal, as well as participate in educational activities.

- Week #1: Students will learn about toucans. They will explore what their habitats look like, what they eat, and other fun facts about toucans. Students will make a toucan craft.
- Week #2: Students will learn about cows. They will explore what their habitats look like, what they eat, and other fun facts about cows. Students will make a cow craft.
- Week #3: Students will learn about seahorses. They will explore what their habitats look like, what they eat, and other fun facts about seahorses. Students will make a seahorse craft.
- Week #4: Students will learn about hummingbirds. They will explore what their habitats look like, what they eat, and other fun facts about hummingbirds. Students will make a hummingbird craft.

## Get To Know

### Halli Johnson:

Hi! I'm Halli! I teach positive action and book club. I am studying elementary education at SUU (go birds!) I love to read, cook, drink Dr Pepper, and work for the boys and girls club! My favorite part of after school is getting to know the kids and learning about them.

## Upcoming Events

## Project Learn

**Wednesday** - K/5 Literacy PowerHour,  
**Thursday** - K/5 Math PowerHour

Students will have the opportunity to work on homework, class projects, and assignments. Students will also engage in math and reading through grade appropriate games, projects, and activities.

## STEM Labs

**Monday & Tuesday** - K/5

Students will experience fun, age appropriate AmeriCorps STEM labs. This includes Science, Technology, Engineering, and Math.

## Enrichment

**Please see detail descriptions above**  
**Wednesday, Thursday, Friday- K/5**  
*Discover, Play, Engage*

These activities are age appropriate, tactile, and fun. They promote learning in a playful way, that encourages students to try new things, and encourages team building along the way.

## Prevention & Education

**Monday (P) & Tuesday (B) - K/5**

This time will be centered around learning ways to develop our sense of self, how we can better ourselves and improve our relationships with those around us. We will focus on identifying emotions, learning healthy coping skills, and building healthy relationships with peers.
