Mt Mahogany After School Program 2023-2024

April Club & Activity Details

Message to Parents:

Hello! We are excited for our upcoming clubs and activities for this next month! Each month we will have a physical and creative club. Our YDPs work hard on lesson planning so all of the students are engaged and excited about the activities. The physical activity this month will include learning and participating in the

Social Emotional Learning Clubs:

Positive Action - Social Emotional Learning curriculum is an evidence based program that is integrated in afterschool activities to build a positive environment throughout the program -- an environment that encourages students to do their best and be their best. Positive Action teaches real-life concepts that help students feel good about themselves. This program is run Monday & Wednesday with new topics each week. The February theme focuses on helping our club members become their best selves.

Academic Support:

Power Hour - The main focus of power hour will be to help youth complete homework assignments, work on Hyla activities and also participate in our reading program. Power Hour is only 20 minutes, rather than what the name states. Our goal is to help youth reduce missing assignments by aligning with school day teachers and completing daily assignments at programs to allow family time at home.

STEAM Club - This club is for all students! They will be provided with engaging activities related to science, engineering, technology, and mathematics. It will be held on Tuesdays and Thursdays. Thanksgiving Point are our community partners and they provide similar activities for our 3rd-6th graders as what was listed above every Tuesday and Thursday.

Physical & Creative Clubs:

[Creative Club] - This club will include the learning of different countries from around the world! They will be experiencing traditions, activities, and fun facts about all around the world. This Club will run Monday, Wednesday, and Fridays.

[Physical Club] - This club will get the students up and moving. Not only will they get to move their bodies but will be engaged in the free for all elimination games, participate in hand eye coordination and invent their own gladiator names. This Club will run Monday, Wednesday, and Fridays.

Project Learn

Monday-Thursday 4:30-5:00 pm

The main focus of Power Hour will be to help members complete homework, work on learning activities, and participate in our reading program. The students can practice writing, reading, multiplication, addition, and subtraction during this time.

STEM Labs

Tuesday and Thursdays 4:25-5:25 pm

We are having a variety of different Science, Technology, Engineering, and Math activities that every student has a chance to participate in. We have the Coding Club and Science Club every Tuesday and Thursday!

Enrichment

Mondays and Wednesdays 5:00-5:25 pm

Enrichment clubs are to further enrich and broaden our members' experiences by offering a variety of clubs that members have a choice between. These clubs are changed on a monthly basis.

Prevention & Education

Monday, Wednesday, Friday 4:00-4:30 pm

Positive Action curriculum focuses on providing youth with important social-emotional skills. All SEL skills are taught through daily lessons and then integrated throughout the rest of programming.
