April Club & Activity Details

Message to Parents:

We are so excited to be implementing these programs and clubs to help your kids! If you have any questions or any ideas for what you would like your child to be learning while here at the club please feel free to let us know. Thanks!

Sports Club - In sports club they'll be taught the rules and regulations of different sports of their choosing. We will have Football, basketball, baseball, spikeball and other miscellaneous sports!

All Ages- Knitting Club - In knitting clubs the kids are taught to make hats from scratch and donate them to those less fortunate!

Art Club -During Art club the kids will be taught how to blend colors and use them to paint in different styles!

Trip to Mexico - The kids will be taught about the culture and customs of Mexico. They will engage in cultural learning activities and fun historical facts regarding our neighbors to the south!

Gardening - In the Gardening Club the kids will learn how to properly plant and care for foliage. They will learn about different types of soil and plants and the variation of needs that different plants have!

Positive Action - Our positive action plans for this week are emphasizing the importance of kids applying what they have learned from the year's lessons. That's why the lessons are focused on improving yourself.

Power Hour - During Power hour the kids are using the time to finish homework or engage in academic activities to further cement what they learn in school.

APRIL 2024

BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL focus this month is Improving Yourself Continually

Get To Know Nikki!

Our spotlight of the month is Ms. Nikki! Ms. Nikki is in her first year of college at UVU studying Criminal Justice. After she finishes her degree she is planning on being a detective. She is from Orange County, California and absolutely loves the beach. She also loves dogs and anything outdoors

Project Learn

M-F (K-3: 3:50-4:20) (4-6: 3:15-3:45)

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

STEM Labs

(K-3: M 4:25-5:20) (4-6: W 4:25-5:20)

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

Enrichment

M-TH 4:25-5:20

Activity specifics are listed in the previous page titled *April Clubs & Activity Details*

Prevention & Education

M-F (K-3: 3:15-3:45) (4-6: 3:50-4:20)

Our focus this month will be on improving ourselves continually.
