**Heber Valley
Afterschool Program
2023-2024**

May Club & Activity Details

Hello Parents and caregivers! We are finally at the end of the year. Please note that Club will end on May 17. Additionally, we will not be open on the 13th and 14th due to Heber Valley Elementary conducting their final SSP conferences on those days. For those students who have signed up for our summer program, we are excited to see you back on June 3rd!

It has been a wonderful year and we wish all our families a healthy and happy summer break.

STEM Labs - This month members will learn to use science, technology, engineering, and math in a fun and creative way.

Get Moving Club - Members really enjoy this club, getting to learn new games, practice teamwork, and developing gross motor skills!

Survival Club - Members will learn how to set up tents, emergency shelters and build mini catapults.

Art Club - Members will be able to continue to express creativity and practice fine motor skills as they create end of year crafts.

MAY 2024

Heber Valley

[730 S 6th W, Heber City, UT 84032] | [(801) 857-4793]

BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

What's New??

The school year is almost over! For the last month we will be focusing on all things STEM! Ask your student about all the fun STEM activities they are participating in.

Upcoming Events

- * Closed May 13 & 14 for HVE SSP
- * LAST DAY OF PROGRAMS 5/17

Project Learn

Wednesday 4:05pm - 4:35pm

Tuesday, Thursday, Friday 4:15pm - 4:45pm

The main focus of power hour will be to help members complete homework assignments, work on HYLEA activities and participate in our reading program.

STEM Labs

Monday 3:50pm – 4:40pm

Our Main STEM lab will be on Mondays.

Students will have the opportunity to be involved in Science, Technology, Engineering and Math activities.
