**Walden Elementary
Afterschool Program
2023-2024**

May Club & Activity Details

Message to Parents:

We are so happy to have you and your kids in our afterschool program! As we start the last month of this school year, we are focusing on developing critical thinking and problem solving skills in each of our clubs. Thank you for everything you do!

Art Club - This month we will explore different art mediums and different methods of creating art. Youth will engage in improving gross and fine motor skills as well as have opportunities to teach and coach other youth on art principles. Art Club is on Mondays and Fridays this month.

PE Club - This club aims to teach sportsmanship, how to learn new things, and using movement to enhance a healthy lifestyle. PE Club is on Tuesdays.

STEM - We have fun and engaging activities for learning about density, solubility, and engineering. STEM is every Wednesday and the last Friday of clubs.

Leadership Club - This club aims to engage youth in service opportunities and growing in their capacity to lead. This is every Thursday.

Power Hour - Power hour is a time every day for club members to either complete homework assignments, get tutoring in a subject they would like help on, or practice math or literacy skills. This occurs for 30 minutes each day.

MAY 2024

Walden Elementary

BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy May!

We have loved getting to know and spend time planning and leading enrichment activities with each of your children. Boys and Girls Club does offer a summer club at Walden Elementary! Club runs for 6 weeks, Monday through Friday from 9-1. If you are interested, please visit this website to find more information and register your child(ren): <https://bgcutah.org/walden-elementary-summer/>

Thank you for a great year!
