Provo Clubhouse

Address: 750 W 200 N, Provo, UT 84601 | 801-717-6214

BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL Focus this month is *Managing My Resources, Know the Code, Being a Super Friend, My Truest Self, & Improving Myself*

Get To Know

Olivia Perkins - Program Manager
"Hey, I'm Olivia! I'm at UVU, majoring in Elementary Education! I've been working at the Boys and Girls Club for almost 2 years! I love to bake, play guitar, and listen to music! My favorite activity to do with the members is painting. I love Dr. Pepper and Greek food."

July Club & Activity Details

Message to Parents: We are so excited for our summer program this year! We hope to help your kids reach new heights, as we teach them new knowledge and skills during these activities. Our activities have been designed to provide a safe, fun summer experience that will help your kids to grow as members of the community.

Social Emotional Learning:

Positive Action- Social Emotional Learning curriculum is an evidence based program that is integrated in afterschool activities to build a positive environment throughout the program -- an environment that encourages students to do their best and be their best. Positive Action teaches real-life concepts that help students feel good about themselves.

KidGrit- The kid-grit collective is passionate about equipping educators and students with the tools needed for success. The Kid Grit curriculum is innovative, while the mindful approach builds confidence & character, resilience & social-emotional learning, self-care & wellness.

Academic Support:

HYLA/Literacy Enrichment- or high-yield learning activities include leisure reading, writing activities and games like chess or Scrabble® that develop young people's cognitive skills. A high-yield learning activity is one in which youth use skills, information, behavior and values needed for academic success.

STEM- stands for Science, Technology, Engineering, and Mathematics. STEM based activities promote critical thinking, curiosity, decision making, and leadership skills.

Sports with Coach Shawni:

Soccer -

Weekly Themes:

July 1-5 - Dinosaur Week

July 8-12 - Around the World (Countries and Cultures)

July 15-19 - Under the Sea

July 22-26 - Mission Outer Space
