BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL Focus this month is Self Awareness

Project Learn

Project Learn or "Power Hour" is a dedicated time during our clubs where students receive homework assistance and have the opportunity to enhance their literacy skills. This focused period supports academic success and encourages a deeper understanding of their schoolwork, helping students build a strong foundation for future learning.

STEM Labs

We offer a variety of clubs focused on building skills in science, technology, engineering, and math (STEM). Through these clubs, students will engage in diverse STEM activities, learning essential skills that foster innovation, critical thinking, and problem-solving. These hands-on experiences not only enhance their understanding of STEM concepts but also inspire a lifelong passion for learning and discovery.

Enrichment

Students are given the opportunity to explore and learn a diverse range of skills through various engaging activities. These activities are carefully designed to foster creativity, critical thinking, and collaboration, ensuring that each student can discover and develop their unique talents. From hands-on projects and interactive workshops to team-building exercises and individual challenges, our program offers a comprehensive approach to learning that goes beyond traditional classroom experiences. This holistic approach helps students gain confidence, enhance their problem-solving abilities, and build essential life skills that will serve them well in the future.

Prevention & Education

Positive Action is designed to equip students with essential social and emotional learning skills, helping them develop effective communication and social interaction abilities that will benefit them throughout their lives. Our goal is to support youth in becoming their best selves in all situations.

Every day, we will explore a variety of social and emotional topics using the Kid-Grit curriculum, fostering meaningful discussions and personal growth.

August Club & Activity Details

Message to Parents:

Dear Parents,

Welcome to the inaugural year of our exciting new Boys & Girls Club at Shoreline! We are delighted to have your teens join us as we embark on this journey of learning, growth, and fun. Our program is designed to provide a safe, engaging, and enriching environment that supports academic achievement, personal development, and social interaction. Our dedicated team has crafted a diverse array of activities and programs to inspire and nurture each child's potential. Thank you for trusting us with your child's afterschool experience. We look forward to building a community of curious learners and enthusiastic participants as we create lasting memories together.
