BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our SEL Focus this month is

Happy Birthday

Birthdays will be announced later after registration!

UPCOMING EVENTS

19th: First day of Programs!
September 2nd: Labor day

CLUB CLOSED

August 23rd: Closed for Training
September 2nd: Closed for Labor Day

Get To Know

Hello! A lot of you already know me, but I am Savannah, the Site Coordinator! This will be my 6th year working here, and my 3rd as the coordinator. Here are some fun, random things to know about me: I love the color yellow and banana flavored things; I am the 8th of 10 kids; Messi and Steph Curry are my favorite athletes to watch; I love brownies with fudge frosting; I like to play sports; and I am ambidextrous.

I am so excited to get the program started and get to know all of you and your kids! We're going to have a great year!

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

M-Th @ 4:45 PM

We hold Power Hour Monday- Thursday where we help with homework, hold our reading program, and provide board games and books for the kids

STEM Labs

Fridays @ 3 PM

Our main STEM activity every week is held on Friday. This month we will be building bridges!

Enrichment

M-Th @ 4:10 PM

We run enrichment clubs Monday-Friday. This month we will be jumping right in to outdoor activities to say goodbye to summer, explore different sports, create art, and play some get-to-know-you games.

SEL (Prevention & Behavior)

M-Th @ 3:50 PM

We will be introducing the curricula of Positive Action. This month we will be focusing on our Pre-Survey and building our group agreements.

August Club & Activity Details

Message to Parents:

We are super excited to have your kids here with us at the Boys and Girls Club this school year! The month of August will consist of art, learning about different sports, getting to know each other, building bridges, and saying goodbye to Summer with fun outdoor activities! We cannot wait to tune our minds, better learn to take care of ourselves, and grow together as a program! We aim to teach respect, kindness, and self confidence

Get to Know Each Other Club - To start off the school year we will be playing different get to know each other games with both the staff and the kids. We'll also do a fun quiz at the end of the week to see which kids remember something new about their new friends!

Goodbye Summer Club - Our Goodbye Summer club hopes to take advantage of the warm weather and plan some fun outdoor activities that include chalk art, relay games, and parachutes!

Sports Exploration Club - Our sports exploration club will focus on exploring the different outdoor sports this month. The sports we will be trying include capture the flag and pickleball.

Art Club - Our Art Club this month will be offered on Monday and Wednesdays from 4:20-5:20. The kids will be given the opportunity to explore different forms of art, use their hands and minds to create, and help build an environment of creativity.

STEM Club (Bridges) - Our STEM specialist will be helping our students conduct scientific experiments. This month we will be learning about bridges and how to build them! These activities will be held on Fridays from 2:00-2:40!

SMART Club - Our SMART club focuses on helping students become more emotionally intelligent and socially adept. This month we will be finishing our pre-survey!

Fun Friday Rotations: After a busy week, we love to have a day of fun activities! Fun Friday gives the students the option to choose between our crafts, gym time, outside recess, games, drawings, and sometimes a special electronic game!
