PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

Monday-Thursday 3:00 - 3:30

The main focus of Power Hour will be to help club members complete homework and school assignments.

STEM Labs

Tuesday

During enrichment clubs, members will have the opportunity to participate in STEM activities that are engaging and enjoyable for all

Enrichment

Monday - Thursday

Enrichment clubs are to further enrich and broaden our members' experience by offering a variety of clubs. Clubs are to help students build skills in a variety of creative and fun activities

Social Emotional Learning (Prevention & Behavior)

Monday, Thursday

Leader In Me! And SMART MOVES curricula focus on providing youth with important social-emotional skills. All social-emotional learning skills are taught through daily lessons and then integrated throughout the rest of the programming.

September Club & Activity Details

Message to Parents:

Starting club to build a community in our Boys & Girls Club. The goal of our club is to build trust with youth and team members. As well as learn the interest of our members. Making our space safe and fun for different kinds of learning for team and members.

Community Builder Club - Playing games for staff and members to get to know each other. Playing the name game in a circle inside or outside. Other ice break games. And cleaning the large mats outside in teams of two.

Skits Club - Acting out skits for social emotional learning [Leader In Me!] and learning performing skills in front of an audience of members. Learning the movements of the 7 Habits. And learning how to speak in front of other people, a important part of life skills.

STEM Club - Doing a variety of fun experiments, learning new skills of following directions and being patient during the science process. Members get to do hands in these activities. Watch for success or failure in the process.

Puppet Club - Creating different kinds of puppets, and the possibility of using them for social emotional learning [Leader In Me!] to learn about the 7 Habits. Letting members use their creativity in their design of their puppet and having them use different materials.

BGC Mission: The mission of the Boys & Girls Clubs of Utah/Washington County is to inspire and enable all young people to realize their full potential as productive and responsible citizens and leaders.

Our Core Promise: To America's youth we promise to provide a safe, positive place and to have a significant impact on their lives. To the Nation we promise to uphold high ethical standards in all areas, especially overseeing finances, reporting data on membership and community outreach, being good stewards of the donor dollar, and representing ourselves to the public.

Our Guiding Principles: Safety, Integrity/Accountability, Commitment to Excellence, Youth-Centric Approach, Respect, Compassion, Reliability/Consistency.

Our Rules: 1. Respect Club members, staff and property. 2. Keep hands, feet, and body to yourself. 3. Use appropriate language. 4. Follow directions of Club staff. 5. Have Fun!

As always, we appreciate partnering with you to provide a meaningful and fun learning experience for our club members. We look forward to getting started right away.
