What We Did This Summer! ☀️

Miss Kadence traveled to Sedona, Arizona! 🌵 She got beautiful turquoise jewelry and enjoyed the pretty red rock scenery! ☀️

Miss Nikole went camping and fishing nearly every weekend! 🐟 She also started a new hobby... **GOLFING!** 🏌️‍♀️

Miss Marquessa rode horses this summer and traveled to the Wayne County Fair! 🐎 She also spent her summer having fun with her kids! ❤️

Miss Brooklyn spent her summer in the sun at Lake Powell! 🏖️ She also got **ENGAGED!** 💍 Congratulations Miss Brooklyn! 🎉

Project Learn

(Monday-Thursday 4:15 - 4:45)

During this designated time, we focus on discussing school-related subjects, completing homework, or engaging in reading activities. Even if the children don't have assignments, we use this time to enhance their reading abilities by reading to a peer or a staff member.

STEM Club

STEM stands for Science, Technology, Engineering, and Mathematics. It's an interdisciplinary approach to learning that encourages hands-on exploration, problem-solving, and real-world applications. STEM education focuses on integrating these four disciplines in order to promote critical thinking, innovation, and collaboration. By engaging in STEM activities, individuals develop skills that are essential for success.

Enrichment

Enrichment clubs are to further enrich and broaden our members' experience by offering a variety of clubs. Clubs are to help students build skills in a variety of creative and fun activities.

Social Emotional Learning (Prevention & Behavior)

Monday - Thursday

The Social Emotional Learning curriculum is an evidence-based program that is integrated into afterschool activities to create a positive environment throughout the program. This environment encourages students to do their best and be their best. The Positive Action program teaches real-life concepts that help students feel good about themselves.

September Club & Activity Details

Message to Parents:

Welcome! We can not wait to start the year with your children. We have missed them so much and are so excited to have them in our program. We cannot wait to hear about their fun summer under the sun.

Emotions Club! 😊 - Miss Nikole will be starting our week with the Emotions Club every Monday! With the new movie “Inside Out 2” coming out this year, we wanted to incorporate that into our clubs. The kids will define different emotions and be taught that we need all emotions and that it is okay to be sad, mad, anxious, afraid, or joyful. They will learn how to deal with them positively with fun games and activities. This will be held every day throughout September.

Rock Club! 🪨 - Get ready for an amazing time! Every Tuesday, Miss Nikole will be showing the kids some cool rocks and minerals. They'll get to check out arrowheads, crystal rocks, and much more. It's going to be so much fun!

Under the Sea Club! 🐠 Dive into the thrill of an underwater escapade with Miss Kadence every Wednesday! Join us as we plunge into the enchanting depths, where children will uncover a breathtaking world filled with vibrant sea creatures, dazzling coral reefs, and hidden treasures just waiting to be discovered. Don't miss out on this exhilarating adventure!

Cartoon Club! 📺 - Get ready for an exhilarating cartoon-making workshop with Miss Kadence! Unleash your creativity and learn to bring your imagination to life. You'll also have the chance to watch delightful G-rated cartoons that are perfect for the whole family!
