BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is Self-Management

Happy Birthday

Emily - November 1st
Jacob - November 9th
Caeleb - November 14th

UPCOMING EVENTS

Thanksgiving - Nov. 28th

CLUB CLOSED

November 27-29th

Get To Know

Hi! I'm Lexi Clayton. I just got married back in May and I am a junior at BYU. I'm studying communication disorders and love working with kids. My current obsession is vanilla milkshakes from in-n-out! I love to play pickleball, go to the gym, and spend time with family and friends.

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

Daily

Project Learn is a daily opportunity for youth to learn new skills, practice and refine existing skills through engaging activities such as theme based clubs, homework help, and HYLEA's (High Yield, Creative, Physical & STEM Learning Activity Rotations) and also participate in our reading program, homework help, HYLEA activities, etc.

STEM Labs

Friday

Youth learn all about the scientific and design processes through hands-on experiments.

Enrichment

Daily

Enrichment Activities provide students with an opportunity to develop desired skills and increase their creativity.

Social Emotional Learning

(Prevention & Behavior)

Monday & Wednesday Gr 3-6

Tuesday & Thursday Gr K-2

Friday All Grades

Positive Action & SMART Moves curriculum focus on providing youth with important social-emotional learning skills. All Social Emotional Learning skills are taught through daily lessons and then integrated throughout the rest of programming.

November Club & Activity Details

Message to Parents:

Every month, we will have an array of new activities lined up for the students where they will learn new skills and hobbies. Youth will also receive homework help during our Project Learn time known as PowerHour as well as academic enrichment. More information and details of each month will be given to you in our Newsletter and Calendar at the beginning of each month that will be attached to an email sent out to you by us. It is important to have your email updated so we can be sure you are all up to date with all of the information. We thank you all for giving up the opportunity to work with you and your children.

Exploration Club - Club members will have the opportunity to discover different parts of nature and the outdoors. They will participate in outdoor games, learn survival skills, and learn more about how the outdoors can help people in many different ways. While the weather is still nice we will be having our students enjoy the sunshine and learn lots of new and fun skills.

Creating Tomorrow Club - Creating tomorrow club will allow students to explore and dive deeper into their interests. We will provide activities and materials needed to develop the skills that they would like to learn in life. We will include activities such as building design, jewelry making, entrepreneurship and much more!
