Amelia - 7th
Ayden - 17th
William - 24th
Nathan - 28th

UPCOMING EVENTS

CLUB CLOSED

November 27th, 28th, 29th -
Thanksgiving Break

Get To Know Abilene Carmona

Hello Windsor Families! My name is Abi and I am so excited to be at Windsor this year. I have loved getting to

know all of your wonderful students these past few weeks. They are truly special! I have been with the Boys and Girls club of Utah County for 2 years. I have also worked with Granite School District as a Title 1 Aide for 5 years. I enjoy fishing, hiking, and spending time with my family. I love to dance and listen to music. Working with kids is what I love the most! I feel as this is what I am meant to do. I am looking forward to seeing your students succeed this year!

November Club & Activity Details

Message to Parents:

Welcome to another month at Boys and Girls Club! This season of gratitude is a perfect time to reflect on the growth we've seen in your children and the wonderful support from our community.

Project Learn - Project Learn or "Power Hour" is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

STEM - STEM is our twice a week rotation that is taught by our AmeriCorps member! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

Social Emotional Learning - Similar to previous years, Boys & Girls Club uses two social emotional learning curriculums- SMART Moves and Positive Action. This month the 3rd-6th grade kids will work on self management as well as physical and emotional positive actions. The k-2nd graders will work on self concept and self management.

Gratitude & Thanksgiving Clubs - This month the kids will get into the holiday spirit with gratitude and thanksgiving inspired crafts and activities such as creating gratitude trees, doing pumpkin art, and turkey crafts.
